

Bharath

INSTITUTE OF HIGHER EDUCATION AND RESEARCH
(Declared as Deemed - to - be - University under section 3 of UGC Act 1956)

DEPARTMENT OF INTERNATIONAL RELATIONS

**Expert Lecture by
Prof. Philip Horton**

Assistant Director & Clinical Assistant Professor
Arizona State University, USA

**“PASSIVE SOLAR ARCHITECTURE” HELD ON
26th Sept, 2019**

In his lecture address about the use of sustainable practices and about creating climatically responsible building that help us create environmental friendly zones. And also various aspects that affect the indoor environment of a building and how these are altered and controlled to create a feasible environment that's also discussed. The Programme was organized school of infrastructure and also discuss about the student and faculty exchange programme.

**Prof. Philip Horton Felicitated by Dr.R.Hariprakash, Additional Registrar, BIHER with
Dr.Farook, Head of the Department of Architecture**

**Expert Lecture by
Prof. Giovanni Palmieri**
Senior Researcher of Automatic Control,
University of Sannio, Benevento, Italy.

**"AN INTRODUCTION AND NEW TRENDS, RESEARCH SCOPE IN CONTROL SYSTEMS" , HELD ON
24th Sep, 2018**

In his key note address he briefed about Synthesis of control engineering for autonomous control system and its benefits of the full access in the Research Scope in Control Systems which will be very useful for them to be updated in the fast developing field. It is communication between IT systems and key processes such as machine control, secure information transfer, quality management and safety. The Programme was organized in collaboration Institute of Electrical and Electronics Engineers (IEEE) -Control Systems Society (CSS).

The Chief Guest is being Felicitated
