About the University

The National Conference is being organized by the School of Computing, Bharath University,Chennai. Bharath Institute of Science and Technology was the first Self Financing Engineering College in Tamilnadu established in 1984.It is a role model for self-financing engineering colleges. It has grown from strength to strength and attained the University status in the year 2002. Now it is running many UG,PG and Ph.D Programmes. The college has industry interaction with National and International Organizations. Recently the University was awarded as **"Best Multi Stream University" at National Education Excellence Awards 2014.** The university is accredited by NAAC with 'A' Grade.

About the School

The School of Computing shares the mission and vision of the institute in imparting high quality education to the students. The School has highly qualified, committed and research oriented faculty members. The School offers B.Tech degree programme in CSE,CSW,IT and M.Tech degree programme in CSE & IT . The School also offers MCA and Post Doctoral degree. Research work is being carried out in the advanced areas of computing. This conference is aimed for creating forum for researchers, academicians and industry people to explore emerging trends and innovative technologies.
